Our pizzas are handcrafted in the tradition of Napoli, Italia. The pizzas are prepared in our Gianni Acunto brick oven, imported from Italy, and made with "00" flour milled in the outskirts of Napoli. Our goal is to provide the most authentic Neapolitan pizza you can find on this side of the Atlantic. Being VPN-certified, we strictly adhere to the regulations set forth not only by the Associazione Verace Pizza Napoletana, but by long-standing tradition. Enjoy our pizza, and as they say in Napoli, buon appetito!
